

Change for Change Event!

**Celebrate Revive's CHANGE over to SPRING...
& CHANGE lives around the world while you're at it!**

**This March, Revive is partnering with World Renew
to give you the opportunity to
turn your spare CHANGE into a CHANGE for others
by rounding up your sale's total.**

Fruit Tree Seedlings—\$5 (Bangladesh)

Poor families often live on land badly suited for farming. With an education in improving the soil, this purchase helps a subsistence farm family improve their land and grow fruit to feed their family and to

Lantern—\$5 (Bangladesh)

Lack of electricity in poor communities limits people's ability to be productive after sun sets, and daytime hours are filled with basic tasks like growing food, toting water, gathering firewood, and cooking food. This

Mosquito Net—\$10 (South Sudan)

Where there are few prevention programs or health services, stinging and biting insects can cause malaria and other diseases. This gift

Children's Nutrition Kit—\$15 (Honduras)

When children are chronically hungry or become malnourished, they can develop life-long deficits. You can improve a child's health with

Baby Weighing Scale—\$20 (Bangladesh)

Infants who are underweight or malnourished early in life can be hampered by weakened physical health, poor brain development, and

Chicken (and chicken coop costs)—\$20 (Honduras)

Raising chickens gives families several ways to improve their lives. Chickens provide eggs and meat for much-needed protein as well as

Bee Hive—\$30 (Tanzania)

Raising bees not only provides a family with income but also improves plant pollination throughout the whole community. This gift produces honey to eat and sell to purchase basic necessities like soap, medicine, and shoes as well as contributing to the success of

Seeds and Tools—\$30 (South Sudan)

Growing food is essential to most people living in poverty, especially those displaced by violence. This gift allows moms and children returning to South Sudan after decades of war to restart their lives by

Latrine—\$45 (International)

Good sanitation is essential for good health. This gift gives people

Goat—\$45 (International)

A goat gives families the opportunity to earn more income to support themselves. Goats also provide essential protein in the family's diet
